GEOLOC

Now you can keep track of the location of all the machines in your fleet.

Place a **GEOLOC** in any of your machines and you can **access their current position** on your computer.

Available for **430€ + 15€ monthly fee**

DELTRONIC COMBITRONIC

Model	Code	Phase / Motor Voltage	Freq. Hz (Pin)	KW (HP)
DELTRONIC 32	20251510	THREEPHASE	50 (4P)	2,2 (3)
	20251512	400 V.	50 (5P)	
	20251511	THREEPHASE 230 V.	60 (4P)	
DELTRONIC 36	20252010	THREEPHASE	50 (4P)	3 (4)
	20252012	400 V.	50 (5P)	
	20252011	THREEPHASE 230 V.	60 (4P)	
DELTRONIC 45	20252510	THREEPHASE	50 (4P)	3 (4)
	20252512	400 V.	50 (5P)	
	20252511	THREEPHASE 230 V.	60 (4P)	
DELTRONIC 52	20253010	THREEPHASE	50 (4P)	4 (5,5)
	20253012	400 V.	50 (5P)	
	20253011	THREEPHASE 230 V.	60 (4P)	
COMBI-TRONIC 25/32	20351510	THREEPHASE	50 (4P)	2,2 (3)
	20351512	400 V.	50 (5P)	
	20351511	THREEPHASE 230 V.	60 (4P)	
COMBI-TRONIC 30/36	20352010	THREEPHASE	50 (4P)	3 (4)
	20352012	400 V.	50 (5P)	
	20352011	THREEPHASE 230 V.	60 (4P)	
COMBI-TRONIC 36/52	20352510	THREEPHASE	50 (4P)	4 (5,5)
	20352512	400 V.	50 (5P)	
	20352511	THREEPHASE 230 V.	60 (4P)

What does Tronic do?

Wireless connection to smartphone, tablet, computer or industrial screen.

10 programmable sequences of bending angles with 10 memories each.

Locking timer by usage time or by date.

Counter of bended rebars, time connected and time of operation (total and partial).

Can operate on either automatic (TRONIC) or manual mode.

Selective access to designated users with password for restricted fuctions.

Test mode to check main functions (pedal, emergency and reverse buttons, limit switch at front panel, table and COMBI shearing jaw, and 3 inductive sensors).
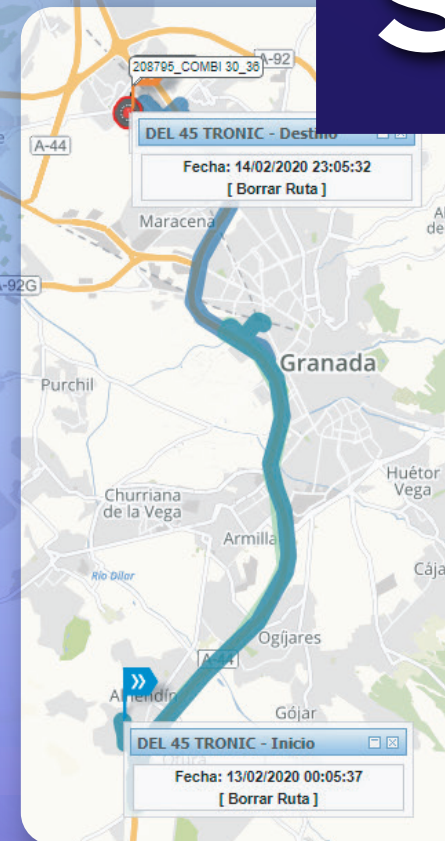

TRONIC

SIMALOC

Geolocation and fleet management

Real time geolocation

Route display

Activity reports

- Machine fleet management with real time geolocation.

- Reomte machine lock down through web platform.

- Route history for the last three months.

- Activity report, including time of use per day (for a preset period), and graphic display of the machine use patterns.

- Event list (on/off, moverments, low battery and flat battery).

430€
for the Geoloc device +
15€ monthly service fee
